**Dear Citizen:**

**Welcome and thank you for attending this Public Involvement Meeting for project STPHV-CN 13( ), CR-19 (Jeff Road) Additional Lanes from 0.8 miles South of CR-28 (Capshaw Road) to SR-53 in Madison County.**

**There will not be a formal presentation, but rather an “open house” format, which better provides you an opportunity to meet one-to-one with representatives from Garver, the Madison County Commission, and the Alabama Department of Transportation (ALDOT). Please feel free to ask questions of any representative. The purpose of this meeting is to provide information and solicit your comments regarding the project.**

**We have provided an ample number of maps/displays with information regarding this project for you to view. We have also provided comment sheets for you to record your written comments. You may leave written comments with the registrar, return them by mail, or E-mail them to the address on the comment sheet within ten days of this hearing. You may also leave recorded comments. Please see the registrar if you would like to leave a recorded comment.**

**Again, thank you for attending and participating in this meeting.**

**Sincerely,**

**Scott C. Leach, PE**

ALDOT Project No. STPHV-CN 13( )  
CR-19 (Jeff Road) Additional Lanes  
From 0.8 miles south of CR-28 (Capshaw Road) to SR-53  
In Madison County, AL

## **Project Description**

The project is located northwest of the City of Huntsville in Madison County. Jeff Road is an important roadway providing access to and from the many residential neighborhoods located in the Harvest/Monrovia Communities in Northwest Madison County to the principal arterials located at the north terminus (AL SR-53) and south terminus (US-72) of Jeff Road. Presently, heavy delay is experienced during the morning and evening peak hours along Jeff Road.

## **Project Purpose and Need**

The purpose of this project is to improve traffic flow and decrease congestion for those who travel along Jeff Road.
